ABOUT US

Mr. Balan Parayil founded Popular Auto Parts in 1979 as a modest auto parts store in Abu Dhabi with a focus on Japan. At the moment, he serves as Popular Auto Parts Chairman. The company had remarkable growth and reached over 20 outlets around the United Arab Emirates thanks to his vision and leadership. Presently, Popular Auto Parts has established itself as a reputable multi-brand company that offers premium car parts that enhance driving pleasure. We are among the leading auto spare parts dealers in the UAE, and this is a credit to our work culture.
