ABOUT US

In October 2013, a group of committed animal lovers created Canadian Veterinary Clinic, an animal pet healthcare company backed by an enthusiastic staff of animal caregivers. Over the years, we have developed to offer more goods and services to meet nearly all of our customers' demands, as well as those of their cherished pets. Canadian Veterinary Clinic is the finest place to find a veterinarian in Abu Dhabi.

SERVICES

PET CLINIC IN DUBAI

For your pets, Canadian Veterinary Clinic offers really beneficial services. We've put a lot of effort into streamlining our offerings so that we can provide the best veterinary care possible at a competitive cost. You can continue to provide the best possible care for your pet with Canadian VC. Every facet of our company was developed in response to the realistic, everyday demands of the clients and animals we meet in our clinics. We think that everyone should have access to high-quality veterinary care. At such a low cost, no other veterinarian provides such excellent standards of pet care and services. We can help whether you're looking for a pet clinic in Dubai, Abu Dhabi, or Sharjah.
