

NURSERY SCHOOLS IN DUBAI

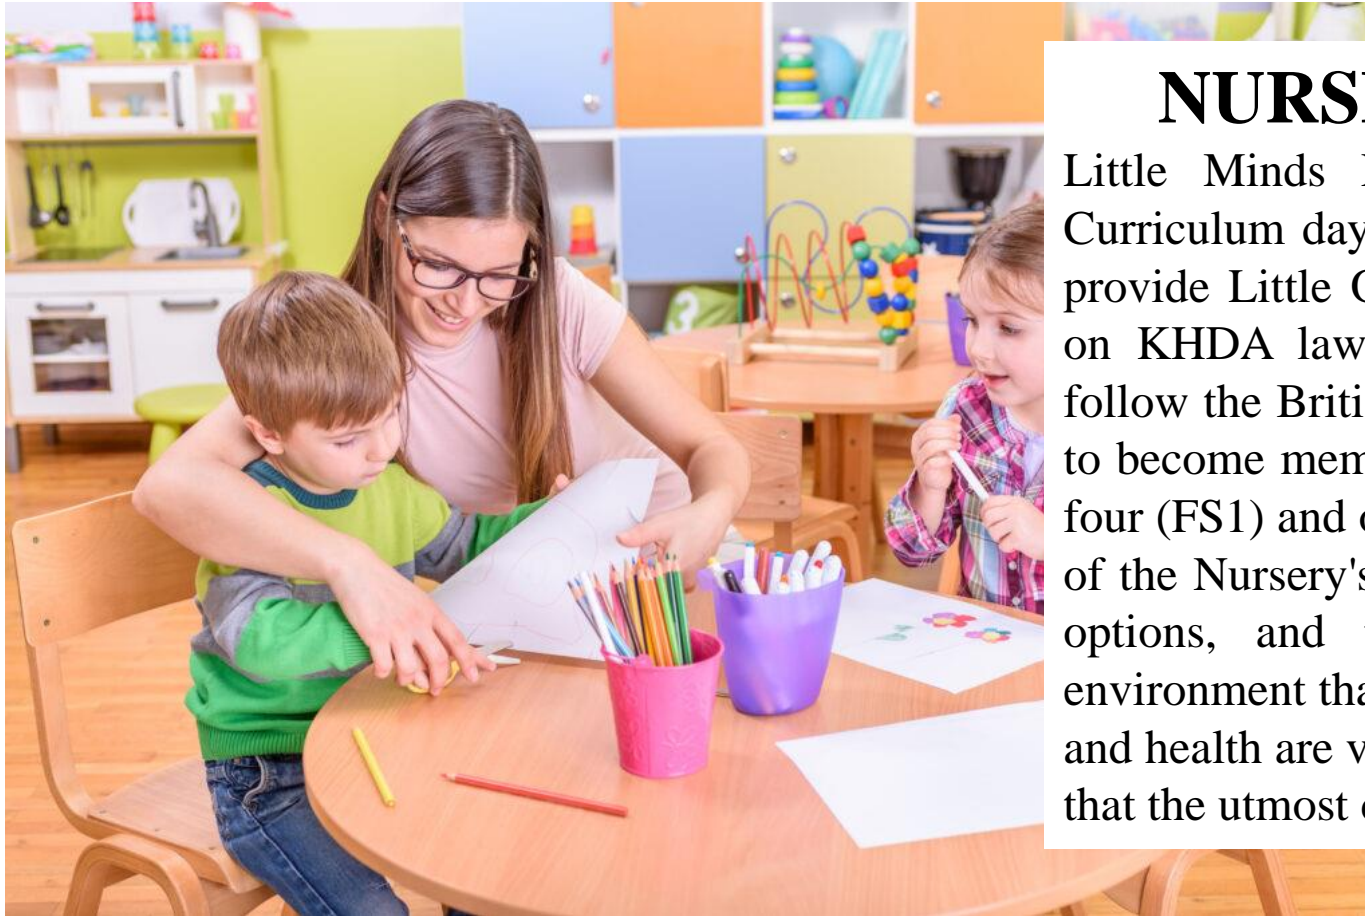

CURRICULUM

In order to get each child ready for the next stage of their primary school, we follow the British Early Years Foundation Stage (EYFS) Curriculum and support their interests and skills. Since each child is different and learns in a different way, our program has been designed to carefully foster social skills, artistic expression, intelligence, and artistic expression. Through seven areas of learning and development, your child will demonstrate their understanding while picking up new abilities.

FACILITIES

- Class Rooms
- Transportation
- Health & Safety

NURSERY SCHOOLS IN DUBAI

Little Minds Nursery in Dubai is among the best British Curriculum daycare centers. During these crucial early years, we provide Little Ones with a loving, nurturing environment. Based on KHDA laws and the requirements of the UAE public, we follow the British EYFS curriculum. Young children are welcome to become members of our family if they are between the ages of four (FS1) and one (Walkers). Working parents can take advantage of the Nursery's year-round programming and flexible scheduling options, and their Little Ones will love the rich, varied environment that celebrates the individuality of every child. Safety and health are very important to Little Minds Nursery. We promise that the utmost care is being given to your child.
