

**BEST NURSERY
SCHOOL IN DUBAI**

CURRICULUM

In order to get each child ready for the next stage of their primary school, we follow the British Early Years Foundation Stage (EYFS) Curriculum and support their interests and skills. Since each child is different and learns in a different way, our program has been designed to carefully foster social skills, artistic expression, intelligence, and artistic expression. Through seven areas of learning and development, your child will demonstrate their understanding while picking up new abilities.

FACILITIES

- Class Rooms
- Transportation
- Health & Safety

BEST NURSERY SCHOOL IN DUBAI

Little Minds Nursery is among the best British Curriculum daycare centers in Dubai. We provide Little Ones with a nurturing environment to spend these crucial early years. Our curriculum follows the British EYFS in compliance with KHDA standards and the demands of the UAE population. Young children between the ages of one year (Walkers) and four years are welcome to join our family (FS1). The Nursery's year-round programming and flexible scheduling options are ideal for working parents, and their Little Ones will love the rich, varied environment that celebrates each child's individuality. Health and safety are of utmost importance to Little Minds Nursery. We promise that your child is receiving the best care possible.
