

# VETERINARY CLINIC ABU DHABI

## ABOUT US

In October 2013, a group of committed animal lovers created Canadian Veterinary Clinic, an animal pet healthcare company backed by an enthusiastic staff of animal caregivers. Over the years, we have developed to offer more goods and services to meet nearly all of our customers' demands, as well as those of their cherished pets. Canadian Veterinary Clinic is the finest place to find a veterinarian in Abu Dhabi.

## SERVICES

## VETERINARY CLINIC ABU DHABI

Canadian Veterinary Clinic provides really helpful services for your pets. We've worked hard to simplify our services so that we can deliver the highest caliber veterinary care at a price that's competitive. With Canadian VC, you can keep giving your pet the finest care available. All aspects of our organization were created in reaction to the practical, daily needs of the people and animals we see in our clinics. We believe that access to excellent veterinary care should be available to everybody. No other veterinarian offers the same high levels of pet care and services at such a reasonable rate. Whether you're looking for a pet clinic in Sharjah, Abu Dhabi, or Dubai, we can assist.
