# About Us

AL ADEL AUTO DOORS is one of UAE's best manufacturers of automatic swing gates. We are specialized in manufacturing systems capable of meeting rising demands for protection in the home, public and commercial environments. We are a company associated with the BENINCA Group. We are experienced in the supply to manufacturing units, warehouses, hospitals, centres, educational institutions, etc of automated sensor gates, remote control gates, boom barriers, automated pads etc.

At AL ADEL AUTO DOORS as the manufacturer of automatic swing gates in UAE, we seek to provide organizations with the latest technology and to fill the current void in the access control industry by providing solutions that improve daily life and safe physical premises.
