About Us

According to Dr. Kavina Puri, the best skin specialist in Chandigarh at Skin Health Dermatology Clinic, cosmetic dermatology bridges the gap between purely medical dermatology and procedures done solely for cosmetic improvement. In today's visually connected world of social media, people want to present their best selves. Therefore, it is essential for a good cosmetic dermatologist to also be an excellent clinical dermatologist. The foundation of all beauty in science lies in understanding the basics of medical conditions.

Why Choose Us

Dr. Kavina Puri is an M.D. in dermatology with advanced training in cosmetology from Freiberg University, Germany. With over 22 years of experience in clinical and cosmetic dermatology, she has a special interest in facial aesthetics and customized skin treatments for all ages, skin types, and needs. Additionally, she is highly skilled in treating various skin and nail disorders.

At the clinic, you will experience the best skincare with a beautiful blend of clinical dermatology & modern cosmetic innovation while adhering to an uncompromising code of ethical standards of medical care.
