## Types of Anime Figures

Before diving into your collection, it's crucial to understand the different types of figures available:

- **Scale Figures:** These are highly detailed and often represent a specific character in a particular pose.

- **Chibi Figures:** Cute, stylized representations of characters, usually smaller in size.
- **Action Figures:** These figures often come with movable parts and accessories.
- **Gachapon:** Capsule toys that are often affordable and collectible.

## Where to Buy Anime Figures

Finding the right **anime figure store** is essential for any collector. You can choose between physical stores and online retailers. Each option has its pros and cons:

1. **Physical Stores:** You can see the figures in person, which allows for a better assessment of quality.
2. **Online Stores:** They often have a wider selection and can provide access to rare figures that may not be available locally.
