

In a world where body positivity is gaining momentum, the **plus size sexy** lingerie market is flourishing. Women of all shapes and sizes deserve to feel confident and alluring in their intimate wear. This blog post explores the top ten styles of plus size lingerie that not only celebrate your curves but also enhance your self-esteem.

1. Lace Babydolls

Lace babydolls are a classic choice for those seeking a blend of elegance and seduction. The soft, flowing fabric drapes beautifully over the body, accentuating your curves while providing a hint of allure. Whether you prefer a deep V-neck or a more modest design, lace babydolls are versatile enough to suit any occasion.

2. High-Waisted Briefs

High-waisted briefs are making a comeback, and for good reason. They offer comfort and support while highlighting your waistline. Pair them with a matching bra for a chic look that exudes confidence. Wouldn't you agree that feeling sexy starts with what you wear underneath?

3. Corsets

Corsets are not just for special occasions; they can be a daily confidence booster. A well-fitted corset can enhance your silhouette, providing support and shaping your figure. Opt for styles that feature adjustable laces for a customized fit. If you want to feel empowered, consider adding a corset to your lingerie collection.

4. Chemises

Chemises are another fantastic option in the realm of **plus size sexy** lingerie. These lightweight garments are perfect for layering or wearing alone. With various fabrics and designs available, you can choose one that reflects your personal style. The right chemise can make you feel effortlessly sexy.

5. Bodysuits

Bodysuits are incredibly versatile and can be worn as both lingerie and outerwear. They hug your curves in all the right places, creating a smooth silhouette. When styled with high-waisted jeans or a skirt, bodysuits can transition seamlessly from bedroom to brunch.

6. Teddies

Teddies combine the best elements of a bodysuit and a chemise. They are often designed with intricate details and can be both playful and sensual. The right teddy can make you feel like a goddess, embracing your body in a way that feels both comfortable and sexy.

7. Robes

A luxurious robe can elevate your lingerie game. Whether you choose silk, satin, or lace, a robe adds an element of sophistication to your ensemble. It's perfect for layering over your favorite lingerie set, providing a touch of mystery and allure.

8. Bralettes

Bralettes are a comfortable alternative to traditional bras. They offer support without the constriction of underwires. Available in various styles, bralettes can be paired with matching panties for a chic look. Wouldn't you love to feel both comfortable and sexy?

9. Sheer Panels

Incorporating sheer panels into your lingerie can create a tantalizing effect. These designs allow for a playful peek-a-boo while still providing coverage. Sheer elements can be found in many styles, from bras to bodysuits, making them a versatile choice for the **plus size sexy** wardrobe.

10. Matching Sets

Nothing says confidence like a matching lingerie set. Coordinating your bra and panties not only looks polished but also makes you feel put together. Explore options that include various styles, from lace to cotton, ensuring you find the perfect fit for your body type.

In conclusion, embracing your curves with **plus size sexy** lingerie is all about finding styles that make you feel confident and beautiful. For a wide selection of stunning options, visit [Lingerie.com](#). Celebrate your body and enjoy the journey of self-love and acceptance.
