At SPECSVIEW, our journey began in an engineering hostel, where three friends shared a dream to create a fashionable and affordable eyewear brand. Founded in 2022, we aim to revolutionize the eyewear industry in India, addressing the needs of the one-third of the population suffering from vision problems. Our vision is to provide high-quality eyewear, even in remote areas, making stylish options accessible to all. We believe in educating our customers about vision care and ensuring they have access to designer glasses at budget-friendly prices. With quick delivery, top-notch quality, and exceptional customer support, we are dedicated to making every eyewear experience delightful. Join us at SPECSVIEW to see the world clearly and stylishly.
