

BABA'S RESTRO- BAR & LOUNGE

Welcome to BABA'S RESTRO-BAR & LOUNGE, where a rich culinary tradition thrives. Our journey began in 1962 when S. Himmat Singh, lovingly known as BABA Ji, opened a small eatery (dhaba) that celebrated the authentic flavors of Punjab. As the years went by, Mr. Kanwaljit Singh inherited the family legacy and introduced popular dishes like fish fry and spinach corn rolls, delighting our customers. The overwhelming love for our food led to the establishment of the first BABA'S restaurant in Model Town in 1991. Our secret homemade masalas made BABA'S butter chicken famous around the world. Today, Mr. Avneet Singh carries on this cherished legacy, ensuring every dish is crafted with care and passion. Join us and taste the tradition.
