

As a passionate collector of **Evangelion figures**, you understand the importance of maintaining these intricate pieces of art. Proper care not only preserves their aesthetic appeal but also enhances their longevity. In this article, we will explore essential **Evangelion figure maintenance tips** that will help you keep your collectibles in pristine condition.

## Understanding the Importance of Evangelion Figure Maintenance

Why is maintenance crucial for your **Evangelion figures**? These figures are often made from delicate materials that can be easily damaged if not handled correctly. Regular maintenance ensures that your figures remain vibrant and free from dust, scratches, and other forms of deterioration.

### Cleaning Your Evangelion Figures

One of the most vital **Evangelion figure maintenance tips** involves cleaning. Here are some effective methods:

- **Dust Regularly:** Use a soft, dry microfiber cloth to gently wipe away dust. This should be done at least once a month.
- **Avoid Harsh Chemicals:** When cleaning, avoid using any harsh chemicals or abrasive materials that could damage the paint or finish.
- **Use Compressed Air:** For hard-to-reach areas, consider using compressed air to blow away dust without touching the figure.

### Storing Your Figures Properly

How you store your **Evangelion figures** can significantly impact their condition. Here are some storage tips:

- **Keep in a Cool, Dry Place:** Avoid direct sunlight and humidity, as these can fade colors and warp materials.
- **Use Display Cases:** Consider investing in display cases that protect your figures from dust and accidental damage.
- **Positioning Matters:** Ensure that figures are not crowded together, as this can lead to scratches or breakage.

### **Handling Your Evangelion Figures with Care**

When it comes to handling your **Evangelion figures**, gentle care is paramount. Here are some handling tips:

- **Wash Your Hands:** Always wash your hands before touching your figures to avoid transferring oils or dirt.
- **Avoid Excessive Force:** Be cautious when adjusting or moving parts, as excessive force can lead to breakage.
- **Use Gloves:** For particularly valuable pieces, consider wearing cotton gloves to prevent fingerprints and smudges.
